## Monthly Calendar for February 2026

### Living a Life of a Baptised Christian

The life of a baptised Christian is marked by outward expressions of inner transformation, shown through key practices such as consistent prayer, engagement with the Bible, renouncing former ways of living, embracing grace, and following the guidance of the Holy Spirit. It also involves active participation in a church community, attending services with openness, using personal gifts to serve others, acting with justice and mercy, recalling baptismal vows, and remaining faithful to one's commitment to God. This journey requires ongoing decisions to follow Jesus and seek spiritual renewal.

As we navigate the transience of life, it is essential to reflect on whether we remain faithful to our baptismal vows. If we do, celebrate that faithfulness; if not, consider this a gentle invitation to renew your connection with God.

Remember The words of Paul To The Romans 8: 38 – 39 <sup>38</sup> For I am convinced that neither death nor life, neither angels nor demons, <sup>[a]</sup> neither the present nor the future, nor any powers, <sup>39</sup> neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.

Friendship group with a variety of activities.
