## Celebrating Pancake Day Shrove Tuesday 17<sup>th</sup> February 4-5pm at Holy Spirit-Come and enjoy a pancake!

Traditionally, pancakes are eaten on Shrove Tuesday – the day before Ash Wednesday – to use up fresh eggs, milk, sugar, and butter before the fasting season of Lent. For centuries, Shrove Tuesday has been a day of feasting and fun before the seriousness of Lent. Lent is observed by Christians in the 40 days before Easter, giving up rich foods and fasting. Making pancakes was the perfect way to clear out the cupboards. Lent starts on Ash Wednesday before Easter when people commit to 40 days of fasting.

## LENT REFLECTION 2026

The world we live in and the church we belong to are changing.

Events and values we have long taken for granted and which have provided us with a comfortable and safe living are constantly shifting. Feelings of uncertainty and anxiety for the future abound.

Lent offers us the opportunity to refocus our lives on what is eternally important. When life overwhelmed them, many early Christians retreated into desert places in search of simplicity and meaning.

Ray Simpson provides an opportunity to walk with Christ through his desert, both in the wilderness and in the city. In following the trials and testing of Jesus, we can confront our own – and gain strength and hope for the future.

***So we invite you to join us on Wednesdays in Lent***
