### St. Mary's Saturday Club

Unfortunately, the Saturday Roboteers Club will meet for the final time this Saturday, 28th February, at 1.30pm in St. Mary's Church Hall.

Due to Stephen's ongoing health issues, he and Anne are not able to continue to run the club. We thank them for all their efforts over the last few years.

### Contactless Giving

A card reader is at the back of St. Mary's Church, for contactless card payments to Church funds. You can select one of the pre-set amounts, or you can select the exact amount you wish to donate. **Please select the Gift Aid option if you are a UK Taxpayer.** You can then select 'all future donations' so you only have to do this once. Please see Phil, Andy or Susanne if you have any questions or issues with using it.

Bank details for both St. Mary's and Holy Spirit are now on the back of this Newsletter.

### Dissertation Questionnaire:

#### The Use of the Organ in Christian Worship today

Our organist, Shaun Brady, is a third-year music student at Plymouth University. As part of his dissertation he is researching whether the Organ still has a place leading our Christian Worship today as it did in previous centuries.

As part of his research, he is hoping that you will be able to complete an online questionnaire to help him get an understanding of what the feeling is in Plymouth.

Thank you.
