Scripture note : As the Israelites journeyed through the desert, Moses provided them with the life-saving gift of ordinary water. Jesus, the new Moses, gives the people something infinitely better - 'living water', a share in the very life of God.

Sunday 15 March Parish Mass 3 PM

In today's Gospel we read about the moving encounter between Jesus and the Samaritan woman. During it Jesus told her about the gift God wanted to give her - the gift he called 'living water'. Here we encounter Jesus and he offers us the same gift. Let us dispose ourselves to receive the gift of God. Like a deer that yearns for running streams, so our souls are yearning for you. You preserve us for our happiness lies in you alone, near restful waters you lead us, to revive our drooping spirits.

**REFLECTION :** The further thirst:  
There is a thirst in every human heart.  
Each of us is like the Samaritan woman.  
We are thirsting for something,  
something that will satisfy our longings.  
But we often search in the wrong places.  
We draw water from many wells:  
the water of praise to quench our thirst for self-esteem;  
the water of success to quench our thirst for importance;  
the water of pleasure to quench our thirst for joy....  
But we still get thirsty.  
Only God can give us what we are looking for.  
He alone can cause a spring to well up inside us.  
The water from this spring will sustain us  
in our journey to the promised land of eternal life.
