## **MAKING SENSE OF LENT**

Worship and church learning can be very cerebral. Often the focus is on listening, with occasional use of the visual, but it is rare for us to use the other three senses.

On each of the Monday evenings of Lent  
we shall be looking at this season  
using one of the five senses each week as a focus -  
Touch, Taste, Hearing, Sight, Smell

**We meet in the Church Hall on Mondays**
