Reflection by Rev Charlie

I'm so blessed

I have been accused of being 'De-mob Happy' several times in the last few days. This is because I am flying off to visit Gareth tomorrow and will be with him for just over two weeks. But, I have been reflecting on that expression 'De-mob Happy'. It of course originates from a military context, referring to when soldiers got to leave the area of battle and head home, but is now used to just refer to any situation of leaving behind an environment that is busy or stressful, and have a time of relaxation. As I was thinking about this I was thinking that my role is certainly busy, sometimes stressful, but not too often, and I am looking forward to a couple of weeks of relaxation. But I think modern usage of the phrase has lost an important element, that is very relevant to my situation, which is that of going and seeing loved ones. This is extremely significant in war-time military contexts, which would often involve long periods of separation, and of course separation from loved ones is always a trial, and we do love to be reunited. I am certainly looking forward to spending some time with Gareth, and that is the main influence in my sense of excitement that others are commenting on this week.

As we deal with the various struggles and trials of life, maybe we should hold on to a stronger sense of being De-mob Happy. Because, as Christians, we can all look forward to being united with our Saviour, Jesus Christ when we leave this place. It is the welcome and the reunion that is in place for all of us. It is a source of hope and peace in all we are dealing with in life. Because, unlike the battlefield, where soldiers would often live with the uncertainty of whether they would get to be reunited with their loved ones, we have it as a guarantee, no matter the circumstances. We will be united the one who loves us above all else. That is certainly a reason for an inner joy and excitement that permeates every day of our lives.

See you in a couple of weeks. Every blessing.

## Services

### **This Sundays service has a focus on the Poverty and Hope Appeal.**

For over four decades, the Diocese of Rochester's Poverty and Hope Appeal has tackled the causes and effects of poverty in different parts of the world. Last year, over £20,000 was raised! Thank you! This year, churches are invited to show their generosity again in support of a range of projects, such as irrigation and sustainable farming initiatives in Tanzania and Zimbabwe – two of the diocese's overseas companion links.

We know times are hard right now, especially with the cost of living, however, every gift made goes directly to help relieve poverty, and the fear that stalks it.

To donate or find out more visit [www.rochester.anglican.org](http://www.rochester.anglican.org) and search 'Poverty and Hope'.

Plus we look forward to welcoming Peter Kettle, volunteer coordinator of Poverty and Hope to our service on 2nd February to tell us more about the Appeal and how we can get involved.

## CHURCH NEWS

### PRAYER DIARY

St Mary Greenhithe has had a prayer diary produced every month by one of their members. This has daily entries, with reminders to pray about various church activities and our community. Over the past 6 months this has included St Peter and St Paul's activities as well, so we have decided to go the whole hog and make it a joint prayer diary for both churches.

Please find the February Prayer Diary

[HERE](#)

There is also the option to receive each daily entry by email, which arrives about 5.30am, so is available for you to read whenever your normal prayer time is. If you would like to receive this daily email you can subscribe through the button below:)

St Peter and St Paul's needs repair to its roof, masonry, windows and rainwater goods. The cost of the project is over £125,000. We have already secured £100,000 through fundraising and grants.

Swanscombe's  
Heritage**

St Peter & St Paul's is a grade 1 listed church with parts of the building dating back to the Saxon & Norman periods with much of the rest of the building being built during the twelfth and thirteenth centuries.

Whilst the church has stood for over 1000 years, the cost of maintaining this beautiful ancient building is enormous and an ongoing responsibility. If we are to preserve the building for future generations of

Swanscombe residents,

# COMMUNITY INFORMATION

Do you have time on your hands and the ability to knit? Would you like to knit these special therapy toys for young children?

A worry monster is designed to discuss and reduce worries. Children write or draw their worry onto a piece of paper and then feed it to their worry monster. Once the monster has eaten it, the worry can then be discussed and shared with an adult. There are also self image monsters to help children work through these issues.

We are calling on all knitters to get involved in knitting these for donation to Walk Tall's Children's Therapy. Ann Duke, CEO of Walk Tall, says 'Our child-

specialist psychotherapists use them. Each child is given their own Worry Monster. It then becomes the child's friend and, as part of the therapeutic process, gobbles up all their worries. We have so many little Twinkles (from 3 years old upwards!!) who are in therapy because of the trauma/abuse/neglect they've suffered. The Worry Monsters are SO useful in externalising internal states.'

If you would like to knit these for donation to Walk Tall Children's Therapy, then the patterns are on our Church Website under News and Events. Or why not come along to St Peter and St Paul's Knit and Natter group on the first Tuesday of every month, from 2pm-4pm. Wool can be supplied. Please contact [Revd Charlie](#) if you would like more information.
