VACANCY FOR TREASURER

The Treasurer, Richard Dawidek, plans to stand for a vacant Church Warden position at the upcoming APCM. The congregation is encouraged to consider the Treasurer role, which does not require prior job training in finance. The church's financial management is simplified by automated software and support from the Parish Administrator, Holly F, with routine tasks being minimal. Richard will still be on hand to oversee the finances and can support as much as needed.

Please talk to Richard or the Vicar if you are interested in helping with the administration of St Matthews.
