DR/W NEAR

LIFE-GIVING HABITS FOR LENT

Draw closer to God this Lent with our new daily devotional – plus a special version for children to share the journey.

Find out more via cofe.io/DrawNear

The Church of England's theme for Lent 2026 is

Draw Near: Life-giving habits for Lent.

This year's resources have at their heart the theme of a 'rhythm of life' – habits and patterns which help us grow as disciples of Christ day by day, especially as we prepare to celebrate the great mystery of God's saving love at Easter.

During Lent, reflections are centred around our common worship and identifies six activities essential to our calling as disciples. Each week a different contributor explores a different aspect of Christian discipleship

Ash Wednesday • Sharing in Worship

Week 1 • Sharing in Prayer

Week 2 • Sharing the Scriptures

Week 3 • Sharing Communion

Week 4 • Sharing in Service

Week 5 • Sharing the Good News

Holy Week • Sharing in Holy Week

Easter Day • Sharing in Resurrection

The Big Brew – Fairtrade Lunch & Community Walk

Saturday 21st February

Community Walk: 10.30am

Fairtrade Lunch: 12.00pm

(You are very welcome to join us for lunch even if you don't take part in the walk.)

Join us as we come together for **The Big Brew**, combining our church community walk with a relaxed **fairtrade lunch**.

We'll enjoy good food, good company, and take time to learn how sharing tea can help support our neighbours across the world.

Across tea-growing communities, climate change is making traditional farming increasingly difficult. Many tea farmers are now having to **diversify their crops** to protect their livelihoods and land.

Your donations are helping to create **Diversi-TEA** in tea gardens across the world — supporting farmers to invest in new crops, seedlings, and equipment so they can adapt to a changing climate.

"Tea is no longer making a lot of money for the farmers and that is why we are diversifying our crops.

In January, we had rains that we don't usually experience. With such changes, we prefer having other crops like avocado, which will be useful in the long run."

— **Edward Ngumi, tea farmer**

Come for the walk, come for lunch, or simply come for a cuppa.

Everyone is welcome.
