

## Notices for Sunday 8<sup>th</sup> February Second Sunday before Lent

### SUNDAY WORSHIP

#### All Together Worship at 10am

As our journey through John's gospel continues with John 5:1-15, we'll be exploring a story of healing, restoration and completeness when Jesus invited a man to get up, pick up his mat and walk. This inclusive service is for all ages, with opportunities to participate as you feel comfortable, all are welcome.

#### Evening Communion at 6pm

Come and join us as we explore Jesus' invitation to come and *be made well*.

### OTHER SERVICES & EVENTS

#### Woodland Working Group - Saturday 7<sup>th</sup> February 1.30-4pm

Please come and help out with the maintenance of our lovely church site, if you are able. We are a friendly group and always open to new members as we seek to keep the church and woodland in good order. No particular skills are needed, but enthusiasm and a good pair of strong gloves come in useful. Looking at the forecast, waterproofs and strong boots would be recommended for this weekend! Come anytime between 1.30-4pm and stay on for woodland worship if you would like to.

#### Woodland Worship - Saturday 7<sup>th</sup> February at 4pm

Come and engage in the beauty of God's creation! Woodland worship is a relaxed, liturgy-based service which takes place every 1st Saturday of the month. Centred around the fire pit, the service focuses on God, creation and reflects on our impact on the world. Now it will be dark you might wish to bring a torch. Everyone is welcome.

#### Monday Morning Group – Monday 9<sup>th</sup> February at 10:15am

Our next meeting is at Emmanuel on 9 February, a New Year General Knowledge Picture Quiz with Richard Harries. We start with coffee at 1015. All ladies and gentlemen are welcome to this and to any of our monthly meetings.

#### Deanery Synod – Tuesday 10<sup>th</sup> February 7.30pm at Christchurch Mountsorrel

All are welcome to attend the deanery synod meeting on Tuesday. Only elected reps are allowed to vote on any business-matters but you may like to come along to hear news from other churches in our deanery.

#### Midweek Communion and Lunch - Wednesday 11<sup>th</sup> February at 12pm

Everyone is welcome to join us for a short service of communion followed by an optional simple but delicious soup lunch. This is a great chance to worship and get to know others within a small and friendly group. Please invite friends and think if there is anyone who might welcome a lift.

#### Worship with a Classical Flavour – Sunday 15<sup>th</sup> February 6pm

Our new season of Worship with a Classical Flavour starts back on Sunday 15<sup>th</sup> with a service of Evening Prayer followed by a short concert of music. Our musician for this month is the wonderfully talented pianist Jeremy Kimber, well known to many of us and who never fails to delight! WWCF will be every other month through this year. Do spread the word and invite people to come along. For the poster please see [here](#)

## **Experience Easter, Holywell School, mornings of Tuesday 3<sup>rd</sup> and 10<sup>th</sup> March**

We are pleased to be invited back to visit the children of Holywell School, presenting our 'Easter Experience' to children in EYFS and year 3. As ever, we will need a large number of volunteers to help run the different experience stations, helping the children engage with the story through simple activities. Many people at St Mary's have helped over the years and found it very rewarding. We hope many of you will be willing to help out again, and it's always good to welcome new volunteers. Please don't wait to be asked – have a word with Adele or Hazel if you are willing to get involved or simply want to know more.

## ADVOCATE SLOT

### Our charity for February is Hope Against Cancer.

Hope Against Cancer was founded in 2003 by Alison Wilson CBE who, having been diagnosed with cancer, was told by a consultant that local research facilities in Leicestershire and Rutland would help improve outcomes for local people with cancer. Since then, they have been supporting research which directly benefits local people, families and communities. This knowledge is shared with the wider scientific community to help national and international efforts to overcome cancer which also increases the reputation of Leicestershire and Rutland as a centre for cutting edge research and care. <https://www.hopeagainstcancer.org.uk/>

Prayer pointers:

- Please give thanks for the continued work of HOPE, for the skill and perseverance of the researchers, and the dedication of the medical staff.
- Pray for all those cancer patients currently taking part in trials - that they may have their own hope for successful treatment.
- Pray for continued funding for this important work
