

Supporting the work of St. Mabyn Church

Cornish gales and rain are particularly hard on listed buildings. The cost of maintaining this church for future generations to enjoy and worship in, and of our ministry in this place, is not met by national or central funds, but by the giving of our small village congregation, and other kind gifts. If you would like to help us in our work, your generosity would be very much appreciated.

The Parish Giving Scheme (PGS) is a secure and simple way of supporting St. Mabyn on either a regular or on-off basis. If you are a UK taxpayer, you can also opt to add Gift Aid, and PGS will claim this on our behalf and add it to the amount you have chosen to give. The simplest way is online. Either scan the QR code above, or visit:-
