“This Lent, why not take part in Climate Steward’s Carbon Fast. Lent is a time when Christians traditionally fast and focus on God. The Carbon Fast will help you consider ways to live more simply, give you new ideas to cut your carbon footprint and invite you to focus on God and consider the whole of his creation. Beginning on 18th Feb, you can receive a weekly email containing key facts, suggestions for how you could reduce your carbon footprint and a prayer to lead you through this Lenten season. Each week features a different theme designed to help us take climate action in manageable ways that bear witness to a God who has promised to restore all of his creation.” Find out more and sign up at:
