Lifting Young Voices: Valerie is organising a range of fabulous opportunities for local children and families to come together to sing. This is a much longed for vision for the parish coming slowly into life, and complements the work she is doing in schools with singing lessons and after school choirs and the work Peter and others been leading for many years in house. Please take a look and sign up to support. It takes a village to raise a child...

Open Church Rota – we are very short of volunteers for the rota – and those who are volunteering are covering multiple dates each month. If you value our doors being open at SMC through the week and feel you can commit to one or more 2hour session each month please let Madelaine know on 020 8669 1770. She is currently preparing the Open Church Rotas for the parish.

Would you like to read during the service, or prepare and offer prayers?

We would love more voices in our shared liturgy and maybe this is something you'd like to have a go at? Please speak to Julie (SMC) or Madelaine (SPC) who will gladly support you in anyway and find a slot or two for you to give it a go! All ages and stages of life – and whether you are newly joining us or been here for decades all equally welcome!

Would you or your child like to prepare for Baptism, First Communion or Confirmation? Please speak to Mthr Berni.

Please be praying for the hundreds of children in our parish schools and across Sutton who this week and in the coming weeks will be joining in with the passion story – from Palm Sunday to Easter Day – through the Easter Experience. A deeply immersive experience thanks to the many volunteers drawn from across the churches who have played roles from Jesus to Pilate, disciples to bystanders. May each child be touched by the incredible story of God's love for us all.
