

Invitation to the Alpha Course – Questions of Life

With many things going on in the world at present you may have questions on the meaning and purpose of life. We hope to run one or more Alpha Course groups from April to July which explores questions of life and faith.

We have the option of afternoons, evenings and weekends which can be held in Leverton Church Hall (Tin Hut) or Holy Trinity Church Lounge or other venues across our group of parishes. If you would like to come but need transport then please indicate this. If you are interested in doing the course or able to help with the course or would like more details then please contact Andrew Higginson on either 01205 760480 or [email clustervicar@gmail.com](mailto:clustervicar@gmail.com) or via the alpha website <https://alpha.org.uk/try>

We can then start to organise venues and times to suit course members. Sign up sheets are also located in each church. We hope to start week commencing 20th April 2026.
