### **A Prayer for Iran**

A prayer by the Rt Revd Dr Guli Francis-Dehqani, Bishop of Chelmsford.

*Ever-loving God,  
who hears us in our anguish and distress,  
and longs for us to be free.  
We pray for the people of Iran and the wider Middle East,  
at this time of fear and uncertainty.  
Be near to those who are anxious;  
bring comfort to all who are suffering.  
Guide those with the power to make decisions,  
and lead them in the ways of wisdom,  
compassion and moderation:  
that people of goodwill would seek harmony and reconciliation.  
Join us with our Christian brothers and sisters in all places,  
in praying for peace with justice,  
through him who is the prince of peace,  
Jesus Christ our Lord.*

### **Eco Tip of the week**

#### **Sustainable fashion**

**1. Keep for longer** - The amount of times a garment is worn has decreased 36% while clothing production has doubled; this "fast fashion" - buying cheaper clothes more regularly - results in many clothes being thrown away within a year. Inevitably, this puts pressure on resources, pollutes the environment, creates waste and increases global carbon emissions.

**2. Recycle or give to charity** - this is another area where people are not taking the opportunity to donate or recycle fully with 87% of textiles ending up in landfill or incinerated. Textiles can be recycled at a clothing bank. We are improving - the UK has seen a 15% reduction in clothes sent to landfill from households and a shift to washing at cooler temperatures, saving 700,000 tonnes CO2e each year.
