

NEWS AND EVENTS

“Eco Church is a scheme to help church communities improve their Environmental impact.

A Rocha has developed Eco Church, an award scheme for churches of all denominations in England and Wales who want to demonstrate that they care for God’s earth.”

Fairtrade and Eco Church

Lent is a really good time to think anew about our personal lifestyles, how we choose to spend our money, what do we look for when we shop in terms of sustainability, animal welfare, and Fairtrade. If you are looking for a present for a friend or family member - or yourself - have a look at our stall after church. We have some new stock: **Easter cards, boxes of chocolates, earrings, new jams.....** When you buy Fairtrade food or crafts you are not only ensuring that the producer receives a fair and consistent wage, but also can be confident that the strict conditions mean that there will be no child labour involved and that the fields, etc., are cared for without the use of pesticides or other products which are harming the environment.
