Safe guarding importance : Karen needs to be informed if there are any new volunteers for groups or activities within St George's church. This is especially important for activities such as Sunbeams, Junction and Pastoral Visiting. As we aim to become a safer church, with safer recruiting, and striving to reduce our risks to ourselves and to others- Karen needs to maintain good records of all volunteers. This is to ensure we maintain the good work of safeguarding training, DBS checks and risk assessments. Karen thanks you in advance for your cooperation in all good
