A Prayer for Iran

A prayer by the Rt Revd Dr Guli Francis-Dehqani, Bishop of Chelmsford.

*Ever-loving God,
who hears us in our anguish and distress,
and longs for us to be free.*

We pray for the people of Iran and the wider Middle East, at this time of fear and uncertainty.

*Be near to those who are anxious;
bring comfort to all who are suffering.
Guide those with the power to make decisions,
and lead them in the ways of wisdom, compassion and moderation:
that people of goodwill would seek harmony and reconciliation.*

*Join us with our Christian brothers and sisters in all places,
in praying for peace with justice,
through him who is the prince of peace,
Jesus Christ our Lord.*

Eco Tip of the week

The washing and drying of our clothes accounts for 120m tonnes of CO₂e each year!

1. Avoid Plastic Microfibres - Polyester, acrylic and nylon shed plastic microfibres during each wash which then pollute the ocean. Each year, half a million tonnes of plastic microfibers from these clothes reach the ocean! Buying clothes made from natural materials such as wool and linen, will biodegrade, and reduce your environmental impact.

2. Wash Smart - We have improved at washing at lower temperatures, but further savings can be made by ensuring to wash clothes less often, fitting more garments into each wash and hang drying. By turning the washer down from 40⁰ to 30⁰ and hang drying can bring the emissions per wash down from 2.4kg CO₂e to 0.6kg CO₂e

Mothers' Union 150th Anniversary
