Benefice Newsletter April 2026

Dear Friends,

We have finally had a few nice sunny, warm days without rain. It has been a long, wet winter! What a joy it is to get out in the garden or go for a walk and see the signs of Spring with leaves appearing on the trees and in the hedgerows. What a joy to behold, and it's something that fills us with hope.

Easter will soon be here which will give us a three day period of experiencing different emotions: Good Friday brought suffering, as Jesus died on the cross. Saturday brought silence... a time of loss and mourning. But Sunday brought victory and hope was restored.

Those three days must have tested the disciples beyond measure. Their expectations collapsed. Their courage wavered, and heaven seemed quiet. Yet God was keeping his promise... a promise that on the third day Jesus would rise from the dead and sit at the right hand of his Father in heaven. He died to bring us nearer to God and through that relationship we can live as forgiven people.

John 3:16 "For God so loved the World that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life."

So let us all celebrate the miracle of Easter, and the beauty of God's Creation. We wish you all a very Blessed Easter.
