CHURCHES OF
**NORTH
BRADFORD
ON AVON
& VILLAGES**

Dear Friends,

Thank you to everyone involved in making our Easter services so special: musicians, flower arrangers, ministry team, church wardens, welcomers, readers, intercessors, hospitality providers and Becky, our children and families worker. It is such a joy to be blessed by the gifts of our whole benefice family so thank you for your part in the last few weeks (and for that matter, the other 50 weeks of the year too).

Some of my favourite passages in the Bible are those that follow the story of Jesus' resurrection. I love the way that Jesus appears to his friends in just the way they need him to, it's never a one size fits all approach. Whether it is through talking through the scriptures whilst walking along a dusty road, giving someone the opportunity to physically touch the scars left on his hands and feet, calling someone's name, sharing bread and wine, coming into a fear-filled locked room, or catching fish by the beach.

Jesus comes alongside his friends to reassure them of his life-giving presence offering peace, unconditional love, reconciliation and forgiveness. Each of these encounters are uniquely special and filled with hope. But it didn't stop there, Jesus continues to meet with us today and as such we have our own stories to tell. We may feel that they are not as dramatic as those that we hear about in the Bible, but they are as uniquely special. Jesus comes alongside us in our day to day living, in our hopes and fears, in our moments of despondency and distress and in our moments of joy.

Over the coming few weeks, between Easter and Ascension Day, the theme for our Sunday services is 'Walking with Jesus'. As part of this, at each of our services around the benefice, we will be inviting someone to share a little of their story. When we did this last year it proved to be a real encouragement to everyone. It's a wonderful hope-filled reminder that Jesus is very much alive and active amongst us today.

'They asked each other, 'weren't our hearts burning within us'.

Luke 24:32

Every blessing,
Katie

Our Mission

The conflict in Sudan has created one of the gravest humanitarian crises of our time. For more than 1,000 days, communities have endured unimaginable loss and displacement. In the Salisbury-Sudans Partnership, we stand alongside them in faith, friendship, and practical support - built on decades of trusted, local links that ensure help reaches those who need it most.

Thanks to the generosity of donors within the Salisbury Diocese, we provide life-changing **Humanitarian Aid, Medical Support, Education and Advocacy**, across Sudan and South Sudan. Recent support has enabled emergency food deliveries, medical supplies for 16 clinics, safer births through our 'Mama Pack' kits, and opportunities for students - including over 100 sponsored learners at JDMSS, now one of the best-performing schools in the country.

The Salisbury-Sudans Partnership works closely with the government to help ensure the realities faced by communities in Sudan and South Sudan are understood.

Every prayer and every gift, large or small, strengthens our mission - enabling us to expand our aid, support those most affected, and continue advocating for peace in the Sudans.
