

Upper Coquet Resource Group COMMUNITY NEWSLETTER MAY 2026

Supported by

Newsletter Circulation

It is great that we are still welcoming new names to our circulation list. Please can we ask you to continue to spread the word so that everyone knows and can sign up to the blind copied circulation list by contacting Tracey on the email below. Plus, if you are able to print a copy to share with someone without internet then thank you. Items for the newsletter can be sent in electronic form ahead of the monthly submission deadline to Tracey Boldy via stickypud@harbottle.net

Planned 2026 dates: submission deadlines with electronic distribution by the end of each month are:

<u>Issue</u>	<u>Wednesday Deadlines</u>	
June	20/05/26	
July/August	24/06/26	DOUBLE ISSUE
September	19/08/26	
October	23/09/26	
November	21/10/26	
December/January 2027	18/11/26	DOUBLE ISSUE

The UCRG monthly quiz sheets you may see in various outlets can be purchased for the year ahead. They are coordinated by Margaret Ward (01669 650317) and they have been a fantastic steady way to boost our funds over the years. We continue to be grateful to Margaret and all those who regularly support this fun activity.

Harbottle School Community Group: Supporting Our Local School

We welcome anyone from the school and local community to come along and help. No set times so it can be daytime or weekends, an hour or a morning whatever suits. Jobs could include weeding, bed clearing, tying back, tidying, painting etc.

So if you enjoy a bit of gardening in your spare time and would like to join us to look after our local school gardens, then please contact Margaret Ward for more information (01669 650317).

Harbottle School Community GROUP continues to collect and sell both new and pre loved puzzles, be they 300-2000 pieces. XL piece jigsaws are especially popular. Funds raised go towards the group's endeavours to help pay for the annual ground rent for the top field so that the school children and community have access to a green space for playing, plus covering the costs of refreshing the planters. Other past efforts have included supporting getting the school Bistro off the ground, out of school clubs, craft classes, and sending out the bat signal for locals and businesses to gather to maintain the school grounds e.g. maintenance, painting, gardening, tidying, gravel installation.....all help always very much appreciated.

Should you wish to purchase/donate jigsaws, please contact Tracey Boldy, Pauline Bickle, Ann Hennessy or Margaret Ward. We have also tried our luck at selling online and this is proving a popular way to bring in additional income for the group.

The Upper Coquet Resource Group 2026 Duck Race

Sunday 28th June, 12 noon
at Shilmoor

Fund raising for the UCRG

The UCRG have been raising money to help fund local groups and activities for over 30 years. Details of their past activities can be found near the end (p26) of this monthly newsletter – another of their long standing contributions to local valley life.. In February 2026 the UCRG donated £400 to help the Coquet River Action Group purchase a new test kit to assist them with their work on the River Coquet. They have also funded the framing of a local banner and another free first aid course. They also fund the replacement parts for local defibrillators.

Funds are raised via the sale of calendars leading up to Christmas, monthly quiz sheets, donations and the duck race. Tickets will be on sale shortly and we are grateful for every penny as it enables us to continue adding to valley life around the Upper Coquet.

NEW:

Christian Aid Week 10th-16th May 2026

Christian Aid week is one of the biggest acts of Christian witness in the UK and Ireland. Seven days to make a difference. The challenge is to show what is best to be human, to see the face of Christ in every person across all continents. For 80 years Christian Aid has stood with the poor and marginalised and made us alive to the issues of injustice in the world. It gives us a platform to dare to hope that things can be different. Seven days to stand in solidarity, to share our stories and to work together to give hope and speak up for justice.

This year the focus is Nairobi in Kenya where life is precarious and stressful in densely packed informal settlements. Christian Aid's partner, Beacon of Hope, is training women to be urban farmers and grow vegetables in small city spaces. This produces healthy children and creates some income and food security.

To support the work of Christian Aid there will be a stall in the garden of Woodbine Cottage Holystone all that week, **Monday 11th May to Saturday 16th May** We sell anything and welcome lots of donations. It will be very informal and lots of fun!

Can I please ask you to stand with Christian Aid and demonstrate humanity in a difficult world?

Charity Quiz Night in aid of TBC

April started well with a very busy Easter period in the pub, cottage and B&B rooms and we are hoping this will continue into May with the two Bank Holidays, school half term holidays and our annual Beer Festival, which aside from Harbottle Show day, is our biggest event of the year! We will have 10 real ales on draught plus live music scheduled throughout the weekend - Friday and Saturday nights and Saturday, Sunday and Monday afternoons - something for everyone.

We will continue to open 7 days a week for the year ahead (closed Christmas Day), serving food all day between 12 noon and 8pm (8.30pm on a Friday and Saturday).

We have recruited our first apprentice! Gracie has joined our kitchen team from school on a full time basis whilst undertaking day release at college. She has settled in and is doing very well in her new role so far.

We will shortly be looking for another member of staff to join the front of house team, aged 16+. Please get in touch if you're interested, or pass on the information to someone who may be.

Thank you for your ongoing support, it's very much appreciated. We look forward to seeing you over the warmer days ahead 😊.

Kind regards

 Come along and join us!

We are always ready and keen to welcome new starters..... if you are tempted to try then please get in touch and we will help to get you moving in whichever class that suits you best.

Quotes from current local dancers:

"Happily married but love our different dance classes!"

"Good fun, made new friends and the perfect way to keep fit."

"We never thought ballroom dancing would be our cup of tea, but we joined when we moved here, just to get to know people. We've loved it ever since and I have even taken up Salsa classes!"

"There is no such thing as bad dancing, it's all just joyful."

"Great fun with a very patient teacher, nice meeting new people including the opportunity for coffee at The Star after some good, gentle, relaxing exercise."

"Very friendly groups; great teacher. You won't regret it. One of the best things I have done; love it!"

"Just love it and it makes me smile. Like the social, health & fun aspects, including the social dances expertly curated by Lisa, as well the challenge of learning so many different styles of dance slowly over time. Ken has the patience of a saint, carefully explaining and re-explaining the steps to us."

COQUETDALE LEAGUE OF FRIENDS

Reg. Charity No. 508289

About us: The Coquetdale League of Friends, a local registered charity, has been run for the last 46 years by volunteers. Our aim is to support health providers and those who rely on their services in the Coquet Valley. We do this by raising funds and managing donations so that we can help our health care providers give their patients the best health services in this very rural area.

Join: We are always very happy to welcome new Friends. If you would like to get involved please contact the Secretary at cathyjacob@hotmail.com. We are particularly in need of anyone with social media or web building skills.

Donate: We are only able to continue our work supporting the nurses and doctors working in the Coquet Valley and their patients because of the money generously donated by the public. If you would like to donate our bank account details are as follows:

Lloyd’s Bank, Sort code: 30-99-50, Account number: 20679463

NEW:

From the Rothbury and Coquetdale Town of Culture Volunteer Team

This is an important update regarding the UK Town of Culture 2028 bid.

First, thank you.

We have been blown away by the number of people who have shared ideas, offered support, and helped shape the proposal. We are grateful to the shops and businesses displaying our posters, to Rothbury Parish Council for agreeing to act as the submitting body, and to the Parish Councils who expressed their support. With that input, we drafted what we believe is a strong Expression of Interest. However, after careful consideration, we have decided not to submit. This has not been an easy decision. Three factors have weighed heavily.

- The timetable has been extremely compressed. Four weeks is not enough to build the depth of planning and delivery capability that a credible bid - and any subsequent programme - would require.
- We do not yet have a sufficiently large and committed volunteer base to take on the scale of work involved in the next stages.
- While there has been real enthusiasm, it is also clear that the level of support across the wider community is not yet broad or settled enough for us to claim a shared mandate.

Taken together, these make it the wrong moment to proceed. Submitting a bid under these conditions would risk over-promising and, ultimately, disappointing.

That said, the work done is not lost. The central idea - the River Coquet as a thread connecting heritage, culture and community - along with proposals for trails, festivals, and a community-led cultural and heritage trust, remains both viable and worth developing. What we have now is a starting point, not an end.

Our intention is to step back, reflect, and - if there is appetite - help build a broader, more resilient base of volunteers and partners. With time, wider engagement, and proper preparation, a future bid or programme could be stronger and more representative.

Thank you again to everyone who has contributed so far. We are sorry not to be taking this forward at this stage, but we believe this is the responsible decision.

The email address remains open for comments and suggestions. And those of you interested in helping develop future bids can contact us at rothburytownofculture2028@gmail.com

With all good wishes

Allison, Carole, Katie, Katy, Sam, and all of **The RTOC Team**

NEW: ROTHBURY EDUCATIONAL TRUST

The Trustees of the above Trust have a yearly amount available to provide a certain number of grants. These will be considered for:

- Students entering the first year of a recognised University degree course
- Students commencing an accredited apprenticeship, including those involving courses at Colleges of Further Education
- Students must be under 25 years of age on 1st September 2026
- Students will be granted one payment only

Potential beneficiaries must be permanently resident within the Parishes of Cartington, Hepple, Hesleyhurst, Rothbury, Snitter, Thropton, Alwinton, Harbottle and Tosson and the parts of the Parishes of Brinkburn, Hollinghill and Netherton that lie within the Ancient Parish of Rothbury.

There will be a limited number of payments and applicants will be required to complete a short form outlining why they feel they should be considered for the grant. Forms will be available from the Clerk, Marga Scott-Johnson, email: margascott@rothbury.net.

Only applications by email will be acknowledged and applicants must stipulate a 'start date' for their course. The deadline for submission of forms is **1st September 2026**.

Please note that students will not be notified until mid-October as to whether their application has been successful or not.

NEW:

Please note this annual opportunity for local young people to apply for a grant (yes an actual grant, not a loan that you have to pay back with exorbitant interest during your working lifetime; they still exist!).

Simply contact Marga for the application form and return it by 1st September.

Don't miss out on the chance of help to cover some vital costs.

! Important information: Meningitis B cases in Kent
We are aware of recent confirmed cases of Meningitis B in Kent and want to make sure our patients have the information they need to stay safe and seek help promptly.

◆ Meningitis symptoms
These can develop quickly. Symptoms may include:

- A high fever
- Severe headache
- Neck stiffness or difficulty bending the neck
- Sensitivity to light
- Cold hands and feet
- Vomiting
- Drowsiness, confusion, or irritability
- Rash that does not fade when a glass is pressed against it (not always present)

◆ When to seek urgent help
If someone has symptoms of meningitis do not delay in seeking medical attention. Contact your GP surgery if available but if not, go directly to the nearest emergency department.

◆ Vaccination information
The routine NHS immunisation programme currently only offers the Meningitis B vaccine to pre school children. If your child has been invited for immunisation please be sure to book an appointment get them the protection the vaccine provides.

Selective vaccination programmes may be introduced for other high risk groups if advised by public health authorities, but it is not routinely available for older children and adults.

You can check your own vaccination history through the NHS App and that of your child in their Red Book. For instructions using the NHS app please follow this link: Setting up the NHS App

Updated: Government Help for Off Gas Grid Homes

The UK Government has announced new financial support for households that rely on heating oil, aimed at helping rural and off-grid communities manage rising energy costs. The support will be targeted at low-income households in rural communities affected by the recent surge in energy prices.

Support for rural & off-grid homes

The funding is intended to support homes not connected to the gas grid, many of which rely on heating oil for both home heating and hot water.

Support delivered locally

In **England**, the funding will be distributed by local authorities through **the Crisis and Resilience Fund**, which comes into effect on 1 April. In Northumberland further information regarding what it covers and how to apply can be found via the following link:

<https://www.northumberland.gov.uk/cost-living-support/crisis-and-resilience-fund>

It is worth noting that this fund remains in place until 31st March 2029 and aims to support vulnerable households and may help with food, energy & water bills plus essentials linked to them eg blankets, soap, warm clothing etc. The funds can also help build local resilience, so appears to be open to communities as well as individuals. Please check it out. Also, please think of your neighbours, family and friends – not all will be aware of this potential bit of help.

Travelling to Europe? Don't get caught out by the 10 year rule

UK travellers used to be able to carry up to nine months left on an old passport over to a new one.

This meant that a passport could be valid for more than 10 years.

This did not matter when the UK was a member of the European Union (EU).

But the rules changed after Brexit, and the majority of EU countries no longer accept British passports which were issued more than 10 years before the date of travel.

This is known as the "10-year rule".

To enter those countries now, your UK passport must:

- have been issued less than 10 years before the date you enter the EU country (i.e. the "date of issue")
- be valid for at least three months after the day you plan to leave (i.e. the "date of expiry")

If your passport does not meet these requirements, you will be refused entry.

It is always worth checking in with **Moneysaving expert Martin Lewis** to read about his latest advice on energy bills, rising mortgages and the cost of living crisis.

Landlines are changing

BT is the first telecoms company to axe the timetable that would have seen the nation’s old landlines replaced with digital phone lines by December 2025. The timeline for completing the transition has been pushed back to the **end of January 2027...but companies are working on this switchover NOW.**

In power cuts: the new digital phone services will not work. If you do not have a mobile phone or reception then your provider should give you a battery back up so that you are not cut off if there is a power cut. Remember to check how long the offered battery pack lasts for and discuss if it is sufficient to cover the length of power cuts that we usually endure.

If you are worried about being switched over based on your lack of mobile phone or internet, or our poor history of power cuts, or rely on personal fall alarms or burglar alarms, or have medical worries that require access to 999 etc.then get in touch with your provider NOW and check if your devices will work with this new enforced digital connection.

This is especially important for those who rely on Telecare alarms. Providers need to know this information to ensure customers continue receiving Telecare services without disruption during the switchover.

UK Entry Requirements for Dual Nationals are changing on 25th February 2026

The new requirements are part of changes to the immigration system that aim to streamline and modernise the UK border. Dual nationals will need to show either a British Passport or a new digital version of the certificate of entitlement (£589) to attach to their second nationality passport.

The new rules are linked to the roll out of the Electronic Travel Authorisation (ETA) system, which requires visitors to the UK who do not have a visa to apply for a £16 entry document before arriving. The new rules do not affect Irish passport holders but do affect other EU citizens. However these new rules also affect dual nationals who can not apply for a ETA and must meet the new documentation requirements instead.

Check before travel (ideally before booking) as checks will be carried out by airlines when departing en route back to the UK.

For an overview of the changes: <https://www.bbc.co.uk/news/articles/cy57p1v61d1o>

NEW: Simpler Recycling in Northumberland....possibly by 2027/28 for rural areas like ours?

Across England from 1st April 2026 the Government is introducing new Simpler Recycling rules, which means that all councils must collect the same set of recycling materials from all households. Changes appear to include new food waste collections plus a new bin for additional recycling materials. The green bin general waste will still be collected every two weeks. For an update on where Northumberland County Council are with this please check their website:

<https://www.northumberland.gov.uk/bins-recycling-waste/simpler-recycling-northumberland>

It seems that food waste collections are going to start firstly in the urban areas from Autumn 2026, with a further roll out to remaining areas, dependant upon securing additional funding, in 2027/28. The additional dry recycling will begin its phased introduction in early 2027.

NEW: Northumbria Police

It is always worth a reminder to us all about the advice from our local police regarding fraud and scammers:
<https://www.northumbria.police.uk/advice/advice-and-information/fa/fraud/personal-fraud/>

Phone scams

Your bank and the police will never ring and ask you to verify your PIN, withdraw cash or purchase high-value goods. They'll also never come to your home to collect your card, cash or purchased items. If you get a call like this, end the call.

If you get a call from your bank or the police, make sure you know who the person is before handing over any personal details. You can do this by calling your bank (the number on the back of your card) or the police ([101](https://www.northumbria.police.uk/advice/advice-and-information/fa/fraud/personal-fraud/)) on a different phone line.

To get a different line, use a phone owned by a family member, friend or neighbour. This is because scammers can keep phone lines open after pretending to hang up. So while you think you're making a new phone call, the line is still open to the scammer, who pretends to be someone from your bank or the police (also see [Courier fraud](#)).

Depending on your bank, the security questions they ask may be different, but they'll never ask you to authorise anything by entering your PIN into your phone.

Never send money abroad to a person you've never met or to anyone you don't actually know and trust.

Likewise, never agree to keep your online relationship a secret. This is a ploy to get you not to tell your family and friends, who'll see the scam for exactly what it is.

Equally, don't accept any offer of money. A scammer may ask you to accept money from them into your own bank account, using a convincing story as to why they can't use their own account.

The circumstances may seem genuine, but you may unwittingly be committing the criminal offence of money laundering.

COMMUNITY NEWSLETTER

MAY 2026

NEW: The Happenings

Our Easter services were all well attended and lots of children had a fine collection of Easter eggs following the egg hunt! The Easter garden had many hands to help, from toddlers to early teens and they made a lovely garden - thanks go to Sharon for both organising and all the extras!

There were a lot of pilgrims this year dropping in at Helen's at Sharperton for lunch and all most grateful for the hospitality. They still have a fair old hike to Ingram but they're a very nice group, with some we have met for years now.

Most of the in-bye lambing is finished so old farmer Giles is onto his next annual exercise of ploughing, drilling and sowing ready for the next harvest after all the other summer operations are complete - and so the seasons go on!

At Alwinton on the last Sunday in May we have a joint service with all the other churches in the valley at 10.30am and it is always a super gathering - do join us.

Please don't forget to book into your diary the Pimm's Party at Marion and John's on Sunday, 14th June, plus the music evenings at Alwinton on Friday, 12th June and Saturday, 25th July as it would be so good to see you at one or all of these "do's!"

Finally a little mention of the Open Garden at Trew hitt Hall on Sunday, 12th July, which is a treat to see as it is very beautiful.

Until next time....

Julia

NEW: On the evening of Friday 12th June, 7.30pm at Alwinton Church there will be a "passing through" singer/song writer **Gareth Davies-Jones**, who will perform his music, inspired by his time staying at Barrowburn last year en route from Lindisfarne to Durham.

Tickets £10 and more details on p8

"A singer-songwriter in the troubadour tradition...songs with a deep humanity at their heart" **Net Rhythms**

"Very beautiful music. I can thoroughly recommend this..." **Bob Harris, BBC Radio 2**

"... real songs with some real things to say, in a melodic and entertaining way. He's a fine addition to the troubadour tradition." **Jez Lowe**

"...a quality songwriter...moving writing and all round class musicianship." **Karine Polwart**

The Parish website has moved: to the Church of England site called **A Church Near You** - and it is important to include the "A": <https://www.achurchnearyou.com/> Simply type in the name of your church e.g. Alnham or the postcode and the site will take you there. Eventually we will probably add a Parish site but at the moment all the information is to be found at each church's page. Please remember it is a growing site and it will take a while to add everything and to make sure we are making the most use of the site.

NEW: And finally from all at the UCRG:

Oh the sun has appeared and the bluebells, tulips and hares are lighting up life! I hope that you have all found something in the newsletter of interest, noted several dates in your diary and plan to purchase tickets if need be. There is so much to choose from and with so much effort going in to organising each and every one please go along and support, as it will be very much appreciated.

Thank you to all who submitted pieces and help to distribute this community newsletter. It all helps to share news, activities and opportunities up and down the valley and support the UCRG Newsletter's aim to help the valley communicate. We are always on the lookout for items to include from recipes, local activities, local successes, nature watch, items for sale/available/sought, local history etc. Please get in touch and we will try to include it in a future edition. Contact details and 2026 submission deadlines are on p1. Catch you again at the end of next month with more news.

Take care

We are still trying to widen the Newsletter coverage, as well as our contact database. We don't have a complete set of contacts for all households in the area. PLEASE CAN YOU HELP? We are grateful to the many that we know of who already print and share copies with their neighbours, especially for those living "off the net." Also, if you have new or old neighbours ask them if they wish to join the blind copied distribution list by asking them to email me, Tracey, on stickypud@harbottle.net and I will add them to my list. Susan also has a distribution list and posts the latest copy on some local social media outlets. It isn't perfect but at least we keep trying to improve it. Thank you.

In addition to these sharing routes, since the start of COVID as many are aware we very occasionally use the same distribution network to speedily distribute additional items that perhaps have missed a newsletter deadline, or may aid people in anticipation of storms, or even help local businesses advertise a sudden bit of information. We always hope that this is acceptable and it has never been excessive (1-2 a year), but just in case anyone out there wishes to sign up only to the newsletters and nothing else, then please let me know via the email above and I can easily put you into a "no extras" mail box.

The UCRG has been established over 20 years as a registered charity. We promote the benefit of the inhabitants of the Upper Coquetdale area, consisting of the parishes of Netherton & Biddlestone, Harbottle, Hepple & Alwinton. The charity supports in the interest of social welfare for recreation and other leisure time occupations and is run by local volunteers.

If you know of a group that may benefit from some funding and they meet the above criteria, then please contact us via jsjrogerson@btinternet.com

Funds are raised each year via the Quiz sheets, Duck Race, Calendars and other activities such as Bingo evenings. We have also been grateful recipients of the proceeds of a Thursday evening Quiz at The Star Inn, Harbottle (Thank you all and Karen). Donations are always welcomed. Over the years we have supported many local activities and events including the local toddler group, sport equipment in Harbottle Village Hall, purchasing local defibrillators and their cabinets, music events in the church and Young Farmers events. Throughout the pandemic we were able to continue with our community newsletter by switching to an electronic format thus enabling isolated communities to keep in touch.

In 2021 we covered the costs of renewing the batteries and consumables for the Alwinton & Netherton defibrillators. In 2022 we funded the provision of a defibrillator in Harbottle village at a cost of £1510 plus the cost of several first aid/defibrillator training courses open to anyone in the local parishes. Then in 2023 we assisted with the training of members of the local Archery Club and again ran a free First Aid Course. In 2024 we covered the cost of consumables in some of the local defibrillators, contributed to the mat fundraising efforts of Rothbury Wrestling Academy, assisted in the repair of the trailer belonging to the Coquet Valley Archers and made a donation to Coquetdale Squirrel Group to help them continue their important conservation work. A grant was also made to fund some new Christmas lights in Harbottle. Harbottle Baby & Toddler Group also benefitted from a grant.

We have recently, February 2026, funded the framing of a Mothers' Union Banner, a piece of local heritage, which will be available to view in Alwinton Church. March 2026 sees us funding yet another free first aid course. In February 2026 the UCRG donated £400 to help the Coquet River Action Group purchase a new test kit to assist them with their work on the River Coquet.

North East
Volunteer with your dog
...and help end loneliness in older dog lovers.

We're a community of dog owners sharing our dogs with older dog lovers across the North East. There are thousands of lonely pensioners who can no longer look after a dog of their own and miss their family. Just a couple of hours a week for a chat and a cuddle with your special dog makes all the difference to someone else's life and probably yours too. Apply today, we'll make it safe and easy to volunteer.

Reminder from Northern Power Grid:

Winter is coming...Being winter ready isn't just about getting your big coat out. We know northern winters can be tough. Whilst we will do everything in our power to make sure the cold doesn't dampen our winter season festivities, the weather can be severe enough to damage your local electricity network.

We will do everything we can to prevent this, including spending millions of pounds on maintaining and looking after your power network. But it can still happen, particularly in winter weather. So, as we get ready for the season of fireworks and festivities, it's important that you know what to do and are prepared if your power goes off.

Support available for our customers: If you experience a power cut, the easiest way to report and access the latest information is via our website www.northernpowergrid.com/power-cuts. Alternatively, our teams are here for you 24/7 by calling **105.....store this number on your mobile or address book.**

You can also find some useful hints and tips on our website at www.northernpowergrid.com/what-to-do-in-a-power-cut. Our customer support vehicles are prepared and ready to go out into local communities, where possible.

Power cut advice and tips include:

- Bookmark Northern Powergrid's online power cut map and reporting service on your mobile devices – www.northernpowergrid.com/power-cuts
- Have a charged mobile phone with important numbers saved, including 105, the free national power cut phone line.
- check out our **Be Prepared** page on our website for handy tips on how to manage during a power cut
- Turn off electrical appliances at the socket (this is particularly important for heating or cooking appliances as your power could be restored at any time and potentially cause a safety hazard).
- Keep one light switched on so you know when power is restored.
- Keep a battery-operated or wind-up torch handy – they're much safer than candles.
- Have a grab bag ready in your home with a torch, spare batteries, charged power banks, and a blanket - just in case!
- Check on your elderly or sick neighbours and relatives.
- Ensure you have warm clothing and blankets handy and some food and drink in your home that does not require electricity to heat or prepare it.
- Call 999 in the event of a medical emergency.

If you have **additional needs due to your medical or personal circumstances**, and are not part of our Priority Services Membership, you should consider joining for **free** by visiting [Priority Services Membership](#) on our website or by **calling 0800 169 2996**. This will help us to support you during a power cut. This will include regular updates on the situation and consideration of any need for provision of hot food and alternative accommodation.

Those who can join include customers:

- Of pensionable age
- Who have a hearing or visual impairment
- Who have additional communication needs
- Who are in a vulnerable situation
- Who have young children at home
- Who are disabled, chronically sick, or have a long-term medical condition

Please remember to check on neighbours, friends and family members who may need additional support.

Advice and help with your bills this winter: We know that cold weather can cause worry about energy bills. You can find FREE independent advice from our charity partners on our web site.

Keeping in touch: If your power is ever affected, we might share a link with you to a video with more information. The link is safe to click.

Here for you, whatever the weather : Our teams work 24/7 to look after your power network and keep the lights on. If your power does go off, call us on 105 and we will do everything we can to get it back on as quickly as possible. Our teams will be ready to help whenever you need us.

Stay safe this winter season.

CIVIL EMERGENCIES PLAN FOR HARBOTTLE PARISH

Emergencies resulting in loss of power, telephone, mobile telephone, water.
Damage to property

In the Event of Electricity Failure

The Emergency Hub at the Star Inn will come into operation in the event of a long power outage, especially if there is no indication when power will be restored.

A varied response will be needed according to the emergency, but as a general rule:

Loss of power overnight: Emergency hub will open up in the morning and remain open as long as needed.

Loss of power during the day: Emergency hub will open late afternoon/early evening to provide hot food, drinks and hot water.

A sign will be placed outside the Star to indicate that the Hub is open and we will endeavour to spread information by word of mouth or telephone if they are working.
