### 1st May: Philip, the apostle with common sense

Is there someone in church whom you respect for their spirituality and common sense combined? Someone you feel easy about approaching to ask questions? That person's patron saint should be Philip.

Philip came from Bethsaida and was a disciple of Jesus from early on. He knew how to lead others to Jesus; he brought Nathanael (or Bartholomew) to Him in a calm, kindly way. He knew how to do some financial forecasting: at the feeding of the 5,000 it was he who pointed out that without divine help, even 200 pennyworths of bread wasn't going to feed that crowd.

He was the one whom the Greeks approached when they wanted to ask Jesus to show them the Father but didn't quite have the nerve to approach Jesus directly.
