

NEWS AND EVENTS

“Eco Church is a scheme to help church communities improve their Environmental impact.

A Rocha has developed Eco Church, an award scheme for churches of all denominations in England and Wales who want to demonstrate that they care for God’s earth.”

Eco Church

“Here at St Thomas’ we are looking for anyone who would like to give some time to work on the graveyard to make it more appealing and useful to us and the local community.

Luckily Salford Council take responsibility for cutting the grass and tidying almost all of the ground around the church so the areas we can work on are very limited.

If you are actually a gardener that would be a great bonus but we also need you if you are a lateral thinker, a problem solver, and enjoy a challenge because we need ideas as much as green fingers.

There will be yet another sign up sheet at the back of church or speak to Chris. “

70 kms in May - sponsorship

We are walking 70 kms this month for Christian Aid and would be delighted if you would sponsor us please! Any donation - small or large - is so welcome. There are sponsorship forms on the welcome desk and there is also a poster which has the QR code on it to donate via the online page.

Thank you. Christine, Bella, Joan and Hilary

Please speak to Christine, Sue or Hilary if you would like to know more or to let us know if you are interested in coming on the weekend.

CHRISTIAN AID WEEK COLLECTION

Very many thanks to those who have already donated to the Christian Aid collection. There is still time to donate, if you are able to. There are some envelopes and a big red bucket on the large table at the back of (*St Thomas'*) church or money can be transferred to the church bank account marking it "Christian Aid". If you are a tax payer and can Gift Aid the money that would be really helpful.

Whether or not you are able to give money, please pray regularly for Christian Aid and its work in some of the most disadvantaged parts of our world.
