NEWS

Donation from Palmers Green High School

At their recent Alumni service PGHS took a retiring collection for their charity of choice. As the school prepares to close its doors, they felt it was right to select St John the Evangelist Palmers Green as their charity. Donations of approximately £500 are being given to us. For this act of generosity, we are truly thankful. We continue to pray for staff, students, families affected by closure.

Anya

Our musical Anya, who you will spot at the piano, completes her work with us on 31st May. She is undertaking a year abroad for her studies - to work in industry as part of her degree. We wish her great success in Dublin!
