

THE PARISH OF SS PETER & PAUL FAREHAM

PARISH NOTICES – 3 MAY 2026

Welcome to this church. If you are visiting we hope you will enjoy your time with us. If you have any questions please ask.

Father Roger Jackson retired as Priest in Charge of the Parish in October 2023. A week after bidding our Priest a premature farewell we were visited by the Diocesan Bishop who informed the congregation that traditional Society worship would be concluded on 6th January 2024. The congregation was devastated, angry and hurt. We were additionally disappointed to learn that Bishop Norman had actively supported and encouraged the proposal, A second visit detailed a different plan for the church which would change the ethos of worship by introducing a plan to build up the congregation and profile of the Parish. Changes were not made in the timescale suggested and the [current vision of the Diocese can be read here](#). In the meantime services are currently being celebrated by various priests for which we are very grateful. The services and other events in May 2026 are:-
