“Eco Church is a scheme to help church communities improve their Environmental impact.

A Rocha has developed Eco Church, an award scheme for churches of all denominations in England and Wales who want to demonstrate that they care for God’s earth.”

Eco Church

“Here at St Thomas’ we are looking for anyone who would like to give some time to work on the graveyard to make it more appealing and useful to us and the local community.

Luckily Salford Council take responsibility for cutting the grass and tidying almost all of the ground around the church so the areas we can work on are very limited.

If you are actually a gardener that would be a great bonus but we also need you if you are a lateral thinker, a problem solver, and enjoy a challenge because we need ideas as much as green fingers.

There will be yet another sign up sheet at the back of church or speak to Chris. “

WHEN I NEEDED A NEIGHBOUR WERE YOU THERE? CHRISTIAN AID WEEK 2027

Christian Aid Week runs from 10 - 16 May this year. It is a week when we try to collect as much money as we can to support the work of Christian Aid working with partner agencies in some of the poorest and most marginalised communities in our world. We will be handing out the envelopes and an excellent daily prayer booklet next Sunday. The annual Christian Aid BRUNCH & CAKE STALL will take place after the service on Sunday 17th - everyone is invited to this, whether or not they are able to donate money.

We need more people to take part in the 70k in May Challenge:

Christine, Joan and I plan to walk 70k in the next 4 weeks and will hopefully have lots of generous sponsors. Could you do 70k - either alone or as part of a team? You can walk, run, swim, cycle.....Please let Hilary or Christine know: we would love you to join us. Hilary

Scargill Weekend 2027!

Two years ago 24 of us, mostly from St Thomas & Holy Angels, but including friends from St Luke's and St John's, experienced a wonderful, relaxing and inspirational weekend at Scargill - the Christian centre in the Yorkshire Dales. As it is so popular we have to wait until next year for our next visit - which is now booked for 17th – 19th September 2027. Please speak to Christine, Sue or Hilary if you would like to know more or to let us know if you are interested in coming on the weekend.
