### Our Mission

The conflict in Sudan has created one of the gravest humanitarian crises of our time. For more than 1,000 days, communities have endured unimaginable loss and displacement. In the Salisbury-Sudans Partnership, we stand alongside them in faith, friendship, and practical support – built on decades of trusted, local links that ensure help reaches those who need it most.

Thanks to the generosity of donors within the Salisbury Diocese, we provide life-changing **Humanitarian Aid, Medical Support, Education and Advocacy**, across Sudan and South Sudan. Recent support has enabled emergency food deliveries, medical supplies for 16 clinics, safer births through our 'Mama Pack' kits, and opportunities for students – including over 100 sponsored learners at JDMSS, now one of the best-performing schools in the country.

The Salisbury-Sudans Partnership works closely with the government to help ensure the realities faced by communities in Sudan and South Sudan are understood.

Every prayer and every gift, large or small, strengthens our mission – enabling us to expand our aid, support those most affected, and continue advocating for peace in the Sudans.
