21st Linda Mary Norman, George
Curnock

PARISH NOTICES

The first meeting of the new
expanded **PCC** will take place on
Sunday 14th June after coffee

On the subject of shiny new things,
our friends at **All Saints Pittville**
have a beautiful new website
following their fund raising
campaign. Do give it a bit of love:

After a break we should have a
temporary **contactless giving
machine** at Mass on Sunday
following a lot of gremlin bashing.
It's of the "tell the human next to it
how much you want to give and
they'll make the machine light up
with their app" variety but we're
working on a proper standalone
replacement...

For further information about all our
activities please visit our website via
