Welcome to our services!

Welcome everyone to St John's Church, West Byfleet for our services this Sunday. Please join us after the service for refreshments and please do make yourselves known to the ministers or churchwardens. If you would like to receive regular copies of this notice sheet, please send your email address to Vicky in the Parish Office –

All children are very welcome at St John's – and please don't worry if they are restless, or sometimes noisy. The Children's Corner is situated at the front of the church on the left; you are most welcome to spend time there during the service. Toilets and changing facilities can be found in our adjacent Cornerstone Centre.

Would you like someone to pray with you?

A member of the Pastoral Team will be available to pray with you after the 10am service each Sunday. If you would like to take this opportunity, please make your way to the Prayer Corner at the end of the service and one of us will be waiting for you. The Minister leading the service on the day may also be available.

Large print versions of the Notices Sheet and of the Order of Service are available from the welcomers

Please make use of our hearing loop system if this would be helpful to you

The readings this week, Trinity 2, are:
Matthew 9: 9-13, 18-26 and Romans 4: 13-end

Keith writes....

One of the obvious limitations of Jesus' ministry was the fact that he was just one man. According to Sunday's excerpt from Matthews Gospel, Jesus is driven by his compassion for the people of Israel 'harassed and helpless, like sheep without a shepherd'. The need is so great that he spends his time rushing from one thing to another. Jesus' response is to call his twelve closest followers into action, to be fellow-workers, partners in mission. He sends them out into the villages and towns of Galilee to proclaim the coming of God's Kingdom and to accompany the proclamations with healings and exorcisms that validate and embody the message. They are to travel light and move fast – like Jesus himself.

Thus, Matthew affords us a preview of the mission that would be given to the church as a whole after Jesus' ascension and the gift of the Spirit. Jesus goes with us and ahead of us, but we are the earthly bearers of his mission to the world. It is work that requires as many participants as possible. All of us are called. We are the body of Christ, we all have gifts and we all have a part to play. Are we clear on what our part is or might be? It is a privilege, but, as Jesus and the twelve found, a costly vocation.

Bishop Paul will be sharing his hopes for the diocese, leading prayer for the deanery and encouraging a culture of prayer. All are invited.

Summer Study Opportunity

We have been planning for a while to create more opportunities for study and discussion in the life of our churches. I am planning to lead four evenings in which we will look at what it means to be a Christian – and, specifically, an Anglican Christian. The series will be based on Sam Wells' book *What Anglicans Believe*, but the sessions will not require you to buy or read the book. These evenings will be suitable for those who want to find out more about their faith – whether you are new to church or not. It will help to answer questions about what is special to the Church of England – why we do what we do and say what we say. It will also consider the range of opinion and practice found within the Church of England and the issues facing our church. It will run on for four weeks on Tuesdays, starting 23 June. Meetings will be 7.30pm in the DH Room at St John's.

Because this programme will require some preparation I am asking you to sign up for it in advance so that I know we have a viable number in good time. You can do that by putting your name on the list at the back of church or emailing me. *Keith*

Holiday Club 2026

We'll be running our summer holiday club again this year from 10th to 14th August. The club runs the whole week from 10am-4.30pm, each day, and is for children age 7-13. As usual, activities will be based around a biblical theme each day, finishing with a short service at 4pm. Please let everyone know who might be interested! More info from Ian or Vicky - email music@stjohnswestbyfleet.org.uk.

And if you can volunteer to help for a session (morning or afternoon), or a whole day, or more, please let Ian know asap. Many thanks!
