In October 2026, we will be celebrating the work of the 16th century scholar William Tyndale who famously translated the parts of the bible (particularly The new Testament) into English. Churches together in Halesowen are working on a series of events, showcases, services and performances based around this momentous occasion. At the moment - this is just a notice for information with more details to follow but one of the things we are looking for will be stories from people and their bibles (how you may have acquired them, special editions, age, presentation and any other inspiring or creative stories.) We may not be able to use them all but we would like to choose a selection to feature on our social media pages and in our testimony at a united serviced planned for the end of October. For further details please contact Claire Biggs (St John's Church) on 077290396061 or claire.biggs@halasteam.org.uk.

Safeguarding Concerns

If you have any concerns or questions about safeguarding in the parish please contact our parish safeguarding officer Mel Case email: safeguarding@halasteam.org.uk
