The Way Forward Update

As we see completion of phase 1 of the project, it is time to focus on raising the remaining funds to allow us to complete phase 2. We have already seen an increased interest in using the church building supporting our mission. The aim was to enable the wider community to use the building by providing a welcoming sustainable space suitable for the needs of the worshipping congregation and the wider parish. As a church we committed to raising £200k towards the total project cost and your efforts thus far have pushed us well towards that target raising £170k. With your continued support and with the persistent efforts of TWF team in identifying and obtaining external funding, we aim to meet the phase 2 target of £210k by the end of this year. This, combined with the funds we still have, will allow us to complete the building work including the new entrance and toilet facilities. Please consider how you can support the next and final phase by generous giving, including supporting by sharing your time and talents. If you have any questions, please speak to a member of the team, the wardens or Sarah. Thank you for your continued support.

Friday 3rd July: Organ recital by Charles Wooler at 7pm. Refreshments will be served.
