

"Eco Church is a scheme to help church communities improve their Environmental impact.

A Rocha has developed Eco Church, an award scheme for churches of all denominations in England and Wales who want to demonstrate that they care for God's earth."

Eco Church

The Eco Church group met last Monday and spent some time discussing ways of integrating care for God's creation into our church life and also into the way we live our lives each day. When we take time to look at the beauty and richness of nature, we can't help but want to do something positive to help save our planet from destruction. It would be really good if, during June, we try to take time to delight in the plants, flowers, bees, birds, etc. which are on our doorstep, either in our gardens, pots of flowers, the parks, our churchyard, etc. giving thanks to God and committing ourselves to caring more thoughtfully for creation.

St Thomas' Summer fair

The signup sheet for stallholders is available at the back of church.

Items also needed:

- Toiletries
- Wines and spirits
- Home-made cakes

If you could donate any of these items or bake cakes it would be most welcome.

Mirfield Festival Day, Saturday 4th July.

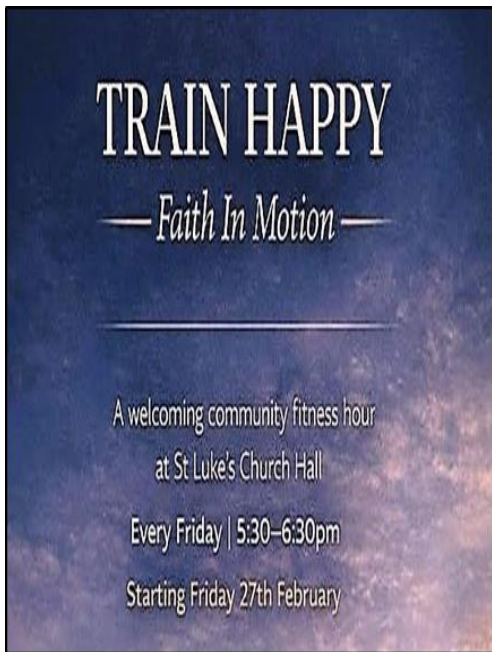

Mirfield is a community of men who live in the monastic tradition. For many years members of the All Saints Team have visited to hear their news, share in their worship and enjoy the gardens and orchard.

If you would like to be part of this visit please sign your name on the sheet at the back of church so that we know how large a coach to hire.

Last year the coach cost £18 but I presume that it will be more this year.

St George's Yr 6

Thanks to those kind members of the congregation who have made a donation toward the cost of providing a gift to members of St George's Yr 6 cohort at their Leaver's Service in July at St Thomas's church. If anyone else would like to contribute, please see me, many thanks. Joy.

Salford, All Saints team BBQ
"Date and location for this to be confirmed"

We desperately need somebody to cook the food on the barbecue
 Please speak to Christine or Lee if you can help.

Christian Aid Week Sponsorship

We are delighted to report that once the final sponsorship money has come in we will have hit the **£1000.00** mark! We will let you know the exact amount very shortly but in the meantime a huge thank you to everyone who has donated to this. It is not too late to make a contribution - the QR code for the online sponsorship form is on a poster on the table at the back and Christine would be delighted to receive any cash donations. Once again, thank you for sponsoring us so that the work which Christian Aid is doing to support women like Fridah can continue to be developed. Christine, Bella, Joan & Hilary

St Luke's - Coffee & Craft Morning
 Bring your craft with you and we will provide the warm space, friendly chat and a hot drink.
 Every Wednesday from 10:30-12pm
