Support our local foodbanks

Our local foodbanks are a valuable source of support for many Cambridgeshire residents, but sadly often demand outstrips supply and our foodbanks find themselves short of essential items.

If you could manage to add just one item to your shopping basket each week and donate it to the foodbank, it would make a huge difference.

Each of our Churches has a foodbank donation box in Church.

Please only donate non perishable, in date items.

Foodbanks rely on donations from members of the community, so thank you for your support.
