Personal notices from the congregation.

Book Recommendation — My second book recommendation this year is *The Story of a Heart* by Dr Rachel Clarke, who tells the story of how nine-year-old Keira, fatally injured in a car crash, donated her heart to nine-year-old Max, whose heart was failing. In telling the story, Dr Clarke explores the practical, emotional and philosophical issues involved in organ donation. Normally, at the start of an organ retrieval procedure, there is a 'moment of honour', where the whole team in the theatre pauses for a 'time of reflection and appreciation of the selfless act of kindness and generosity from the donor and their family'. How wonderful that this time is taken amid the busy-ness, time pressure and stress of the theatre. This is a powerful, challenging and immensely rewarding book.

If you would like to have something included in the notices, subject to editor's approval of course, please submit to Fr Jeremy by Tuesday 6pm.
