Church on the Hill-Celebrating its 5th Year Sunday 21 June 1pm

Can you believe it's been five years? Born out of the challenges of the Covid pandemic, **Church on the Hill** has grown from a safe way to gather into a deeply loved part of how we worship God together in creation. To celebrate this wonderful milestone, we are throwing a big picnic—and **everyone** across our communities is invited! Whether you're a regular walker or have never been before, we would love for you to join us. Sunday 21st June, 1pm

We will meet at Cleeve Hill Golf Club and take only a few steps to a suitable picnic location. Please bring your own picnic, chairs and blanket. Note that parking at the golf club carpark is £2 but you can reclaim that with an ice cream or cuppa! In the event of bad weather, we will meet at St Michael's Church for an indoor picnic, do check out Facebook or the Church on the Hill Whatsapp group for updates.

If you would like to ask any questions, please don't hesitate to email Lucy on lucy@barbour.co or call on 07821580995

OUR MISSION PARTNERS - NEWS

Food Bank-Request for Donations

Food Bank would like to send out a plea for donations as stocks are running very low.

We know how difficult things are for everyone at the moment, and we really appreciate your generosity as regards donations for the food bank.

However, due to demand of this service our stocks are running considerably low. There are some shopping lists at the back of the church of items that are required. So, if you would like to donate it would be very much appreciated. You can drop off donations at the Church Office and in the porch of St Michael's.

Thank you Gill Donovan Outlet Lead and Trustee.

Mission Partners

At St Michael's, we have three Mission Partners with which we have strong ties. Our three Mission Partners are: **North Cotswold Foodbank, Grassroots Rwanda and Mission Macedonia.**

Our Energy Saving Tip This Month- Watering of Plants

To save both energy and water, the most critical step is **timing your watering correctly**. The absolute best time to water plants is **early in the morning**. This allows the soil to absorb moisture when temperatures are cooler, drastically reducing loss to evaporation and giving plants a deep reserve before the heat of the day.
