**Men's group** - we are inviting all men in church to come to a meeting on Saturday 27th June at 11am at St Mary's Church. This is to discuss and plan the way forward to start a men's group. Please let Anne know if you are planning to attend or if you can't please say if you would like to be involved. A questionnaire is being given out to all men in both churches. **All Saints' church will be open one Saturday a month during the summer** for people to visit, look around or take a bit of time for quiet reflection. If you are able to help steward for an hour between 11am and 2pm on Saturday June 20<sup>th</sup> or Saturday July 25<sup>th</sup> please sign the list in either church **There will also be a churchyard ministry gazebo in the grounds on Saturday 20<sup>th</sup> June (10am to 3pm) and Sunday 21<sup>st</sup> June(9am-12.15pm)** to welcome people visiting the churchyard on Father's Day. Please sign up on the sheets in church if you can help on any of these occasions.

**Following a recent meeting with Anne and Sam**, there was a discussion about responding to an emergency if someone attending one of our services is taken ill, or has an accident while at church; it may be necessary to contact someone's next of kin. For this reason, with people's permission, we are going to collect and securely store, at both churches, people's next of kin details. Janet Micklewright has volunteered to collate this information, so if you wish to pass on your next of kin details please contact Janet either by email: [janetmicklewright@gmail.com](mailto:janetmicklewright@gmail.com); telephone 07906 367 553; message, text, WhatsApp, FB Messenger, or talk to her in person. Please ensure that your next of kin is happy for us to hold this information for this purpose only.

**Vocations Exploration Day** - Saturday 4<sup>th</sup> July, 10am – 3pm, at All Saints Church in Wingerworth. If you are interested ,please take a flyer from the back of either church or speak to Anne or Sam.

### **Church Count on Nature**

Churches across all denominations in England and Wales are participating in Churches Count on Nature (CCoN), an annual event where people visit churchyards supported by environmental charities A Rocha UK and Caring for God's Acre, as well as The Church of England takes place from 6-14 June 2026. If you would like to take part there are counting sheets available in church and in the hall and special resources for children which are available as a hard copy from next week or via the app Last year, an estimated 6,000+ participants joining in. This helps to determine the distribution of species and can help churches increase the biodiversity on their land and manage their land well . Could you engage with the natural world and take part in this churchyard wildlife count this summer? [Explore further resources here](#). More details from Sue Cavill
