

PLEASE take note of these!

Nick White (our Exmouth youth leader) will be sadly leaving us on the 30th August and taking up a new role in Exeter. This new role (working in education) will allow Nick to spend more time at home with the family and give support to Claire when she starts her curacy in Exeter in 2027. We pray God's many blessings over them all.

MEN'S BREAKFAST - Saturday 8th August, at The Toby Carvery at Lymington, at 8.15am for 8.30am. The cost remains the same as last time: £10.50 payable in cash on arrival, please.

The speaker this time will be Richard Turner, whom many will know already - he is a member of the congregation at Holy Trinity. The intriguing title of his talk will be "The Royal Marines - to be, or not to be."

PLEASE let me know if you would like to come. This is to confirm our numbers. Bob Soutter: 01395 273400, or rjsoutter@aol.com

The People's Emergency Briefing film will be shown at Holy Trinity Church on Thursday 20 August.

Refreshments will be available from 10am, followed by the screening.

The Church is called to shine - simply and naturally.
We'll explore how everyday faith, kindness and service can help others glimpse the hope we have in Jesus.

Our Mission Community Prayer

Heavenly Father,
As we meet in your presence, hold us together in our Mission Community.

May your church grow as we deepen our love for you and our service to others.
Help us always to remember, though we are many, we are one body, as we all share in you, our one God.

Collect

Almighty God,
who sent your Holy Spirit
to be the life and light of your Church:
open our hearts to the riches of your grace,
that we may bring forth the fruit of the Spirit
in love and joy and peace;
through Jesus Christ your Son our Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.

PLEASE PRAY FOR:

During National Marine Week, we celebrate the wondrous designs of the seas. Help us to lament how we have polluted our oceans and respond to the groaning of creation. Teach us to sense your presence in the tides and the currents of the surging seas. Teach us to care for your oceans and all our waterways.
