Changes to Sunday Refreshments

From Sunday 6th September, there will be a small change to the way we offer refreshments after our morning service.

We will still gather downstairs for tea, coffee and fellowship, but refreshments will now be provided by the church rather than through TLC Community Café. They will be available free of charge, although donations towards the cost will be gratefully received.

As refreshments will no longer be served through the café, speciality coffees and other café menu items will not be available during this time.
