Today is the 4th Sunday in Church life called 'Ordinary time' or 'Trinity.' We are continuing our series which will take us to the summer holidays. Through this series we will explore our vision strategy as we consider some of the events in the life of the early church recorded for us in Acts. As we do so, we will ask ourselves some questions. Today we will be considering '**How does church deal with difficulty?**' We will be reading **Acts 11 v 1:18** and thinking about how we deal with this.

Over the coming weeks our Re-Vision series will be exploring what the early church did and how their model still helps us be church in the here and now.
