SUPPORTING ANIMALS AFFECTED BY THE EUROPEAN WILDFIRES - BY LOUISE BUTTERY

As we celebrate God's creation of animals at our Pet Service this Sunday, we also remember the many wild and companion animals affected by the devastating wildfires across Europe. The International Fund for Animal Welfare (IFAW) works around the world to rescue, protect and care for animals, including responding to disasters worldwide. They are currently supporting animal rescue efforts following the European wildfires and have launched an emergency appeal to help wildlife rescue centres care for injured, orphaned and displaced animals affected by the fires in France. If you would like to find out more about IFAW's work, support the current emergency appeal, or make a general donation to help protect animals around the world, please use these links:
