#### **Road closure**

We know that quite a number of our congregation are affected by the closure of Bickington Road, and some will not want to take a long detour. We hope to be able to stream, as we did in lockdown. Alternatively, there are services on radio and television, other churches stream worship, and please don't be afraid to visit other churches where I know you will be welcomed - just please don't forget to come back! Keep in touch via the website and the Beacon.

**Have a role in worship?** The rotas for readers etc for July to September are in the footer on the website as *Mission Community Service rota*.

During National Marine Week, we celebrate the wondrous designs of the seas. Help us to lament how we have polluted our oceans and respond to the groaning of creation. Teach us to sense your presence in the tides and the currents of the surging seas. Teach us to care for your oceans and all our waterways.
