A Prayer for Iran

A prayer by the Rt Revd Dr Guli Francis-Dehqani, Bishop of Chelmsford.

*Ever-loving God,
who hears us in our anguish and distress,
and longs for us to be free.
We pray for the people of Iran and the
wider Middle East, at this time of fear
and uncertainty.
Be near to those who are anxious;
bring comfort to all who are suffering.
Guide those with the power to make decisions,
and lead them in the ways of wisdom,
compassion and moderation:
that people of goodwill would seek harmony
and reconciliation.
Join us with our Christian brothers and
sisters in all places,
in praying for peace with justice,
through him who is the prince of peace,
Jesus Christ our Lord.*

John Roberts
Margaret Roberts
Vince Ryder

A prayer for Ukraine

*God of peace and justice, we pray for
the people of Ukraine today. We pray
for peace and the laying down of weapons.
We pray for all those who fear for
tomorrow, that your Spirit of comfort
would draw near to them. We pray for
those with power over war or peace, for
wisdom, discernment and compassion
to guide their decisions. Above all, we
pray for all your precious children, at
risk and in fear, that you would hold and
protect them. We pray in the name of
Jesus, the Prince of Peace. Amen*

Eco Tip of the week

Each summer brings Earth Overshoot Day, the day that marks that we have used more than our sustainable resource limit! This year it is 30 July.

To help 'move the date forward', our tips help reduce the carbon footprint of food:

1. Berry Picking - Berries are in season so why not pick your own - you can pick them wild if you know your berries well. Whichever berry is your favourite, there are lots of types to pick from - strawberries, raspberries, redcurrants, blackberries, blackcurrants, gooseberries, blueberries, cherries and more. In season food also tastes better than those grown in green houses.

2. Buy Local - There are several sites online that can help you find your nearest farmers markets and shops - some even have box delivery schemes where the fresh, in season, local food is delivered straight to your door.
