St Luke's, Birchwood July 2026

Wildflower of the month: *Knautia arvensis*, field scabious to her friends – of which she has many (as these photos show)!

A member of the honeysuckle family, her long flowering period means she provides a vital late summer nectar source for a wide variety of pollinators.

Sunday booklets

From the first Sunday of July we will be trialing the use of set booklets for Holy Communion and for Morning Prayer. These will be supported by a separate a4 sheet with the readings and set prayers from Redemptionist please do feedback in person or via email how you find it.

Readings, prayers and welcome

Would you like to read the bible on a Sunday in church? Or maybe write your own prayers or poems. Brenda is collating a new rota and we would love to have a variety of people. Please email her with your availability.

House Plants!

Do you have some house plants that you could propagate to decorate the inside of church? Bring them in and leave them in the lounge as we move towards sustainable decorating our church.

Prayer for July

Loving God, as summer settles gently over Birchwood and Doddington Park, bless our streets, our homes, and all who live here. Warm our hearts with hope, steady our steps in busy days, and help us to notice the quiet gifts You place among us.

Strengthen our community with kindness, guide us in caring for one another, and keep us mindful of those who need a gentle word or helping hand.

Amen.
