Please remember to pick up/return your Stewardship Envelope at the back of church. Thank you to Michael and Paul for leading us in a wonderfully insightful reflection last Sunday as we thought about Time and Talents in the heart of our Common Life. Thank you also for those who have already committed new things.

Lifting Young Voices (choral outreach)– *Music* Michael has been well received across Bandon Hill, Foresters and Wallington and we have confirmed weekly music lessons for two-year groups in each school from September. Letters have been offered to children in Bandon Hill inviting them to the Children's Choir starting in September – 24+ children asked to take letters home to share the invitation with their parents. Please be praying for these children and their families as they consider commitments. Over the summer we will firm up the team to support the choir – to ensure we have chaperones, refreshments, and activities to welcome, encourage and “wrap around” Michael's offering. Please confirm with Michael if you are planning to join the team if you haven't done so: contact@lyv.org.uk. *There will be a meeting after the service on the 30th Aug at SMC to gather as a team – you are welcome to join to learn more if unsure how you might support at this time.* Please pray for Michael & the team.

Food Bank During this hot season could you please add a couple of items to your shopping basket they are particularly asking for Tinned Fish Small packets Tea Bags and Coffee. Tinned fruit or Veg. Collection baskets in both churches are emptied regularly by Phil and transported to their destination.

Opening St Michael's as a cool space I am hugely grateful to those who commit to opening SMC church on Thursdays/Fridays and Saturdays – and to those who continue to open on Tuesdays (without a Rota to do so) whilst preparing Foodbank/tending the plants, etc. Opening both our churches throughout the week is such an important part of our *quiet ministry* of presence and doesn't need to be restricted to current times. If you can support the opening of either church (and hold/are prepared to have a db's check) please speak to Madelaine Reid or Mthr Berni. Whilst we all struggle with the heat in these days, those who live on the streets or in very hot enclosed flats/bedsits are suffering the most. Keeping our doors open and a welcoming smile and cold drink is life changing for many this time of year. During the holidays we won't be opening on Friday evenings (currently) but we do need a volunteer to be Person 2 for Open Church on Thursday 13th August from 9.30-11.30. Can you help? **Open Doors – Open Hearts- Open Minds**
