God is addressed, in today's Collect, as 'the author and giver of all good things'. This reminds us that the world exists, not because of mere chance, but because God planned and created it in the beginning. We gather together here to celebrate the gifts of creation and redemption, asking God to 'graft in our hearts the love of your name'.

Daily Bible Readings:

These readings are related to the Lectionary readings for this Sunday. Try to take time each day to read the assigned Bible passage.

Charity of the Month

Motor Neurone Disease Association

Motor neurone disease (MND) is a life-shortening neurological condition that affects the nerves controlling movement. It causes progressive muscle weakness, which can affect how a person walks, talks, eats, drinks and breathes. Symptoms vary from person to person and usually get worse over time, but support, treatment and equipment can help people live as well as possible.

MND Association is a membership organisation with over 13,000 members forming a powerful national and local network that provides information and support. It includes people with MND, their families and carers, researchers, volunteers, campaigners, fundraisers, donors and supporters.

There are over 1,300 active volunteers in England, Wales and Northern Ireland and around 300 paid staff, all dedicated to improving the lives of people affected by MND, now and in the future.
