ST MARY'S KELVEDON ACADEMY - NEW SCHOOL VISION - BY INDIA JAYATILLAKE

The new School Vision is rooted in the parable of the Great Feast (Luke 14. 16-24), focusing on inclusion. It also uses the words of 1 Thessalonians 5:11 - "Therefore encourage one another and build each other up." The school wants to promote the idea that everyone is welcome, valued and has a place. Every child should take joy in learning while encouraging and supporting others.

The recent collective worship introduced this new Vision to the children and staff, with various activities throughout the school day, to explore this further and tie it into the day's learning. The children were really engaged and there was a high level of participation, which was such a pleasure to see.
