Prayer from Cameroon

When we contemplate such beauty, the immensity before us, blossoming with colour and scent, the surprising diversity of all that surrounds us, the green forests, the animals, the intelligence which allows us humans to create with you, God, the acts of your grace on our behalf, we can only express our joy at being your children and gladly sing of the generosity of your love.

(© Rev. Dr Kayoka-Luendu M., Cameroon. English transl. Dr Colette Bouka Coula, adapted by Terry MacArthur.)

You have called us
to be your people,
to follow where you lead,
be obedient to your word
and bring your Good News
wherever we might go.
Forgive the impatience
and lack of faith
which causes us to stumble;
when we prefer our way
to yours.
Draw us back into your arms,
as prodigals to their Father
and grant us patience
and perseverance
in our journeying with you.
