We're delighted you're here today. Whether you come every week, are visiting for the first time, or are simply exploring faith, you are very welcome among us. At Christ Church we seek to grow together in faith, friendship and community as we worship God and care for one another.

Changes to Sunday Refreshments

From Sunday 6th September, there will be a small change to the way we offer refreshments after our morning service.

We will still gather downstairs for tea, coffee and fellowship, but refreshments will now be provided by the church rather than through TLC Community Café. They will be available free of charge, although donations towards the cost will be gratefully received.

As refreshments will no longer be served through the café, speciality coffees and other café menu items will not be available during this time.

Sue Franks writes.... Thank you for a lovely afternoon for my retirement and for the collection which has already paid for a new ring. It has been lovely working with everyone over the last 35 years but I will still see you around.
