"The People's Emergency Briefing"
Stebbing Church at 7:30 on Saturday 5th September

This is a film, which is being shown to audiences across the country, to update us on the latest climate and nature situation and its potential impact on everyday national life.

The 50-minute film will be followed by open discussion about what we can do and what it means today. The film does not (and will not), necessarily, represent the views of everyone in the church.

The Car Park will be open from 7pm.

The evening will close by 9:30.
