Alpha in September - we are hoping to run another Alpha course starting in September. This is for anyone to join - those who have been Christians for a while and want to go back to basics, those who are new to the faith and those who are still searching. The meeting will consist of a video, discussion and food. It's very informal and a great way to get to know people. If you are interested, please let Anne know. A day and time will be decided depending on when people are available. Why not come along yourself and bring a friend, relative or neighbour.
