Our Tithe Giving - Thanks and Prayer

We have received letters from Acorns Children's Hospice, Church Urban Fund, UCCF and Midlands Air Ambulance thanking us for the recent donations from our tithe giving. Their letters are available to read next to the welcome table.

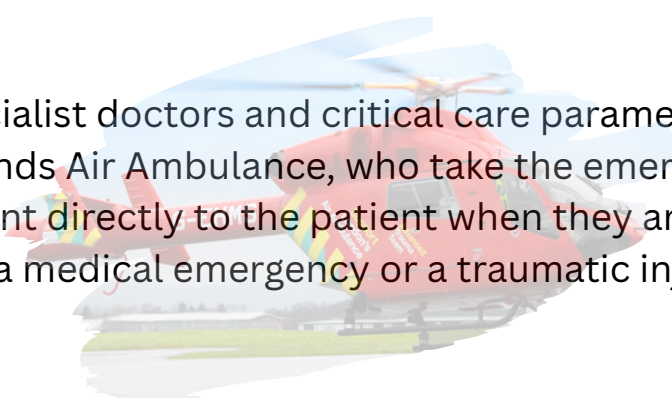

Please pray for:

- The specialist children's nurses at Acorns who deliver compassionate support and expert palliative care, tailored to each child's complex needs.
- Church Urban Fund which aims to support local people and churches as they work to bring communities together, comfort the lonely, feed the hungry and empower the marginalised.
- Boldness and opportunities for students to share the gospel with their friends, supported by their Christian Unions.
- The specialist doctors and critical care paramedics of the Midlands Air Ambulance, who take the emergency department directly to the patient when they are suffering a medical emergency or a traumatic injury.

Your Call

During the Summer Specials, we have (and will be) looking at Bible passages from Matthew's Gospel that challenge who we are as Disciples. The DCC will look at the new vision for St George's Church to discern the right path that God wants us to take. Part of that vision will be the calling we each have. What roles does God want us to take? What areas of ministry are we called to? You might be called to one role we currently need help with. Or you might be called to something we plan to do in the future. I want to encourage you to pray for the vision of the church and your place in that vision.

.....
